

Checklist 13: Canva Image Editor

Project Name: _____

Date: _____

Yes No

Another great FREE tool you can use to make your photos and images stand out is Canva's photo editor, you could use this before uploading your pictures to Canva or even sites like Instagram and Facebook

Go to <https://www.canva.com/photo-editor/>

Upload an image from your computer

Simply click the upload button or drag and drop an image from your computer onto this area

Click on each of the filters that appear and see how it changes your photo

You can choose from the following filters;

Normal

Blues

Edge
