

Checklist 18: Growth Tools - Facebook Messenger Code

Project Name: _____

Date: _____

Yes No

Important - The Facebook Messenger Code can be used on the back on business cards, menus, flyers, posters, car stickers, etc. This is another powerful way to grow your ManyChat list.

- 1 In your ManyChat dashboard in the left menu click on Growth Tools.
- 2 Click + New Growth Tool in the top right.
- 3 Choose Facebook Messenger Code under other Growth Tools.
- 4 Click Edit or Replace the Opt-in Message. Add the subscriber to another flow or create a welcome message and then add continue to another step.
- 5 Click Save & Next.
- 6 Click Active in the top right.
- 7 Choose the image size you require.
